F19430

Specifications

- **Cabinet**
  Ebony Texture
- **Dimensions: 17½" H, 19½" W, 18" D**
- **Approx. Shipping Weight: 47 Lbs.**

Remote

➤**ChanneLock Direct Access Remote CRK211TA1**
Ergonomic design and color-coded buttons make it easy to control power, volume, direct access of channels, plus TV picture adjustments and features.

Picture

- **Dynamic BlackStretch Circuitry**
  Extends black levels in bright scenes to enhance contrast and detail.
- **Contrast/Color Tracking System**
  Synchronizes contrast and color settings to maintain vibrant images.
- **Adjustable Picture Control**
  Custom picture settings are just a button-press away. Adjust and store Contrast, Color, Tint, Black Level, and Sharpness settings for personal picture performance depending on your own individual tastes.
- **Hi-Con Picture Tube**
  Increases contrast under bright room conditions.
- **181-Channel Tuning Capability[1]**
  Digitally controlled frequency synthesis tuning system "locks on" to cable and standard signals with unsurpassed accuracy.

Sound

- **Broadcast Stereo**
  Delivers stereo sound from compact cabinet design.
- **Front-Fired Speaker System**
  Front-fired full-range frequency drivers provide excellent imaging while localizing voices at the screen.

Convenience

- **Picture Reset**
  Instantly returns picture to factory settings for Color, Tint, Contrast, Brightness, and Sharpness.
- **Auto Channel Search**
  System automatically scans for and locks active channels into channel memory.
- **On-Screen Menu System**
  On-screen displays make it easy to adjust more picture, sound, and convenience features from either the remote control or the TV front panel buttons.
- **Trilingual On-Screen Display**
  Allows the on-screen menu system to be displayed in one of three languages (English, French, or Spanish).
- **On-Screen Time and Channel Display**
  Displays time and channel number at the press of a button.
- **Programmable Timer System**
  Convenient scheduling system can be used in a variety of ways:
  –Sleep Timer
  Automatically turns off the TV after a preset time period — for those times when you drift off to sleep in front of the television.
  –Alarm Timer
  Wake up to your favorite morning show or turn on your television automatically to catch your favorite program.
- **V-Chip Parental Control**
  Puts control back into the hands of the viewer by blocking unwanted television broadcasts with U.S. Government required circuitry. Blocks three types of programs: regular television programs, broadcast movies and unrated programs.
  Program rating information is sent by the broadcaster continuously during the program. The television will match program rating to user preference and block the entire program (when program is aired with the encoded signal). User preference is secured using a four-digit password.
- **Non-Volatile Memory**
  In case of most power outages, the picture adjustments and channel selections are stored in electronic memory.
- **Caption Vision CC Closed Caption Capability[2]**
  Assists the hearing impaired, helps children learn to read, and aids in the teaching of English as a second language. Built-in Closed Caption Decoder displays the audio portion of a program as text on the TV screen (when program is aired with the encoded signal).
- **Energy Star Compliant**

Connections

➤**Front Audio/Video Input (Gameport)**
Color-coded front monitor panel provides direct audio and video connections for optimum performance and system flexibility. Front jacks allow quick connections for video games and camcorders. (Front jacks override rear jacks.)

- **Front Panel**

- **Back Panel**

Plus

- **Limited Warranty**
  – 90 days for labor charges.
  – One year for parts.
  – Two years for picture tube.
  – See RCA dealer or visit www.rca.com for complete details.

1 Check your cable company's compatibility requirements.
2 This television receiver provides display of television closed captioning in accordance with §15.119 of the FCC rules. This television receiver does not support color attributes of television closed captioning.
